

Exercise 2: Field Trip

Exercise 16:

Walther Falt system 1. GmbH 2. George Utz GmbH 3. **Plastic:** Recycled Plastic PE. 4. number of people in the company: 240 5. medium size company 6. Human resources, water 7. injection molding machine Collapsible fund - Foldable

Exercise 17

ISO: International Standard

Manufacturing

- **zero pallet loss initiative** This obligate their processing plant to deploy specialized filtration and containment systems to ensure raw plastic granulates never escape the facility into local waste water networks or rivers
- PPWR Compliant lifespans: modular repairing engineering design.:w
